EASYWAY 

CONFERENCE NEWS

The Italian Minister of Infrastructures and transports **Altero MATTEOLI** will open the conference, welcoming the delegates on behalf of Italian Authorities and giving an overview of the Italian policy for transports and new technologies.

Fotis KARAMITSOS director at EC DG TREN will give an overview of policy actions that EC is undertaking in the field of ITS.

Fabrizio PALENZONA chairman of AISCAT and ASECAP will bring the welcome of organizing partners.

EasyWay will be represented in the session by some of its top executives:

Andreas ARNAOUTIS chair of EASYWAY-ITHACA,

Federico FERNANDEZ ALONSO deputy General Manager to the Ministry of Interior of Spain,

Florentina TEODOROVICI Deputy General Manager to the Ministry of Transport of Romania.

The session will be moderated by the EasyWay chairman **Roy BRANNEN**, Head of Network Operations - Transport Scotland.

During the final session high representatives of EC will take to Taormina the **conclusions of TEN-T days** for ITS and Galileo.
